

State College Radio Control Club Thursday May 7th 2015 Meeting Minutes

Jon Guizar called the meeting to order at 7:05. Guests and new members in attendance included Rod Strauss, Justin Eliot, Dave Test, Daniel Kuwahara, Devin Decker, Barry Decker and Sylvia Decker. SCRC members and guest took the time to introduce themselves. Welcome all!

- March Meeting Minutes. Members voted to accept the April minutes.
- Treasurer's Report. Doug Schultz reported that we gained two new members since the last meeting. We've had no other income or expenses since last month. Doug advised that the port-a-potty will be delivered just before the Memorial Day weekend. Sandy Jaffe asked if it could be delivered sooner. Doug will try to move the schedule up for this season and also keep it in mind for the future. Doug reported the balance for SCRC's bank account and the members voted to accept the Treasurer's report.
- Old business –

Indoor Flying Update. Last month, we reported that we've used all of our scheduled dates (5 sessions) but have sufficient income from indoor membership dues to pay for a sixth session. Due to it being late in the year, Jon Guizar made the motion to move this session to a date in November. Motion carried.

Inaugural IMAC Event – August 29th and 30th. The IMAC event at SCRC is now listed on the IMAC website and currently we have nine registered participants. Jon plans to present a training slide show featuring the IMAC maneuvers. Also, just before our June 4th general meeting, there will be an organizational meeting for the volunteers. Jon requested that volunteers arrive at the field at 6:00 on the evening of June 4th. SCRC members can register to compete on IMAC's website:

Field Maintenance. We will have a spring clean-up day at the field on May 23rd or 24th. Jon will send an e-mail requesting volunteers. Jon advised that he will be doing the mowing of SCRC's portion of the field instead of paying a mowing service. Many thanks to John for saving the club this expense. Jon has rolled the field for this season. Again this year, there will be no flying allowed while the full-scale portion of the field is being mowed. Bob Grove will advise Jon of mowing days in advance and Jon will send an e-mail to the members so they can plan their flying time. Bob has agreed to avoid mowing on weekends whenever possible.

YGI Program Update. Woody Brem advised that we've purchased ten YGI kits and nine of them are committed to program participants. A group building session took place during the first weekend of May bringing four of the planes to various stages of completion. SCRC gained two new members from the group build. Chris Ivory brought a completed YGI to the meeting and Jon explained the details of the plane and the program to our new members and guests.

- New business – None
- Open Floor Discussion –

Sandy Jaffe advised that the radio that we use to monitor full-scale aircraft is not working. Jon Guizar advised that he has a scanner and will set it up in the office sometime before Memorial Day weekend.

Last month, Al Jones offered to make SCRC Name Tags for new members. He advised that he has seven of them done for the people who requested them and he will bring them to the next meeting.

- Planned Events for 2014/2015 –

IMAC Competition at the SCRC field. August 29th and 30th. 2015.

- Meeting Adjournment – The motion to adjourn passed at 7:35.
- Show and Tell – None
- Presentation / Program –

Flight training, practice and general flying were planned and took place after meeting adjournment.

Respectfully Submitted,

Daryl Allen, Secretary
