

State College Radio Control Club Thursday July 2nd 2015 Meeting Minutes

Jon Guizar called the meeting to order at 7:00. Karen Shuckman attended as a guest and Scot Eshelman was there as a new member.

- June Meeting Minutes. Members voted to accept the June 2015 minutes.
- Treasurer's Report. Doug Schultz was in Florida so he sent his report by e-mail and Jon related the information. Since last month, we've had income of \$212.50 from membership dues. We had \$200 income for YGI kits but that went back out as payment for those kits. We paid \$450 in mowing expenses for May and June. Jon read the balance of SCRC's bank account and reported we are still on budget for 2015. The members voted to accept the Treasurer's report.

- Old business –

Inaugural IMAC Event – August 29th and 30th. We now have 12 or 13 registered pilots for the event. Jon Guizar took a trip to an IMAC event in Hurlock, Maryland in June and came back with some good advice for SCRC's event. The competition will take place rain or shine. Jon requested volunteers to help with field set-up, to cook and serve lunch and to serve as runners and scribes. He will be scheduling planning meetings in July for the IMAC event. SCRC members interested in competing can register at:

YGI Program Update. Woody Brem advised that we still have two YGI fliers available for purchase. A few members have completed builds or have planes at various stages of completion. We hope to have as many as these as possible flying at our Fun Fly on July 18th and 19th.

- New business –

Field Radio. Jon advised that he has the new radio, the amplifier and the microphone but the installation is not yet complete. He expects to have this done within two weeks.

- Open Floor Discussion –

Al Jones printed several SCRC name tags and distributed some of those at the meeting. He also took the names of members in attendance who requested name tags.
