

## State College Radio Control Club Thursday October 5th, 2017 Meeting Minutes

The meeting was called to order at 7:00.

Minutes from the September meeting were approved by all members in attendance.  
The membership and Treasurer's report were given. The reports were accepted by all members in attendance.

Dan Kuwahara has taken over updating the SCRC website and Facebook sites. Send any updates or suggestions regarding these sites to Dan.

Woody mentioned that responses are not necessary for general information e-mails that go out to the entire club e-mail list (unless they contain important new information.)

### **Old business –**

Dates for upcoming events:

October 7: Season End Fun Fly

IMAC Event: Many compliments were received from participants, even with the rainy weather. The event resulted in a healthy profit for the club. Members in attendance were in favor of hosting this event again next year. Also, it was agreed that a date that does not coincide with a home Penn State football game would be best.

Season End Fun Fly: Event is this Saturday at 2:00 pm. There will be free hot dogs and soda. Emphasis will be on beginner fliers.

Chair Donation: The SCRC has received about 20 folding chairs that were donated through Bob Grove.

### **New business –**

Porta-Potty: It was noted that both Porta-Potties have been removed from the field even though the club only asked for one to be removed after the IMAC event. Mark will call and ask for one to be brought back. Usually it is not removed until the end of October.

Shed Improvements: Al Jones discussed and showed pictures of the shed improvement project that he and several volunteers completed. The addition of shelves and general cleanup look great and have freed up much space in the shed.

Possibilities for the following winter events were discussed:

Winter Banquet at Hoss's

Indoor Flying

Swap and Shop as part of club meeting

Simulator show and tell as part of club meeting

Election Committee: Al Jones volunteered to chair the election committee. The Committee will bring recommendations for officer nominations to the November meeting. Any other nominations will be accepted then. Voting for officers will be held at the December meeting.

The meeting was adjourned at 7:35.

Respectfully Submitted,

Chris Ivory, Secretary
