

State College Radio Control Club Thursday May 3, 2017 Meeting Minutes

Prior to the meeting club members performed a major cleanup of debris from the large willow tree which had lost several large limbs in the recent storms. Jon Guizar called the meeting to order at 7:35 pm.

Old business –

Dates for upcoming events:

July 8: Fun Fly

August 13: Airshow

September 2, 3: IMAC

September 23: Beginner's Fun Fly

The April meeting minutes were approved by the members in attendance.

The treasury report was given and approved by members in attendance.

New business –

Next Meeting: The next meeting will be on June 1 which is the same day as the EAA meeting at the field.

PA System: Work continues on decreasing the sensitivity of the radio so that it only picks up local traffic. Members were reminded to turn the radio on or off using only the main power switch in the front office.

Indoor Flying: The Bellefonte School District is enacting a high rent fee for non-school related activities at the gymnasiums. The SCRC indoor flying sessions will likely be considered school related because they are open to all students. The idea of reviving the delta-dart program and holding it in conjunction with the sessions was raised and discussed.

Area Around Well Head: Members were reminded to not drive in the area of the field that is currently taped off with caution tape as this marks the well head that serves the nearby house.

Porta-Potty: The porta-potty is back at the field for the summer season.

Open Floor Discussion –

CPI Meetings: Al Jones raised the idea of sending a letter of appreciation to CPI for allow SCRC to meet there in the winter. Members in attendance agreed. Al will write and send the letter.

Beginners Nights: The idea of using the 2nd and 4th Thursday evenings as beginners nights at the airfield was discussed. Having designating evenings could help bring beginners and members interested in helping new fliers together.

Meeting Adjournment – The motion to adjourn passed at 8:04

Respectfully Submitted,

Chris Ivory, Secretary
