

State College Radio Control Club Thursday July 6th, 2017 Meeting Minutes

The meeting was called to order at 7:03.

Old business –

The minutes from the June meeting have been posted on the website and were accepted by members in attendance.

The Treasurer's report was given and accepted by members in attendance.

Dates for upcoming events:

July 8: Fun Fly

July 11: Mini Airshow for Nittany Amateur Radio Club

August 13: Airshow

September 2, 3: IMAC

September 23: Beginner's Fun Fly

Field Condition: Jon Guizar asked for feedback on the condition of the field which is on a weekly mowing schedule. Members in attendance had no complaints.

Fun Fly: The Fun Fly will be this Saturday (7/8), starting around noon. The weather looks favorable. The club will provide food and drinks.

Mini Air Show: This coming Tuesday (7/11) we will hold a small air show at 7:00 pm for members of the Nittany Amateur Radio Club. Members are encouraged to participate – no aerobatics, etc. required – just having a plane in the air will be a welcome contribution.

Public Air Show: The public air show (8/13) will start at 1:00 and end at 3:00. More details will be forthcoming.

Letter of thanks to Central Pennsylvania Institute of Science and Technology: Al Jones read a letter of thanks that he wrote to CPI. CPI allows us to use one of their class rooms for our monthly meetings in the winter. A copy of the letter was provided for the record.

New business –

Several club members have been setting up the first person view (FPV) drone racing area on Thursday Beginners' nights. This is a great venue to learn about FPV racing.

Respectfully Submitted,

Chris Ivory, Secretary
