

State College Radio Control Club Thursday September 7th, 2017 Meeting Minutes

The meeting was called to order at 7:00.

The membership and Treasurer's report were given. The reports were accepted by all members in attendance.

Old business –

Dates for upcoming events:

September 30: Beginner's Fun Fly

IMAC Event: Many compliments were received from participants, even with the rainy weather. The event resulted in a healthy profit for the club. We will likely not run the 50/50 raffle next year as there were very few participants.

Visits from Neighbors: If anyone is confronted by a neighbor over noise, etc., be cordial, get their name and address and forward to the club president.

New business –

Next month's meeting will be at the Central Pennsylvania Institute of Science and Technology.

Al Jones proposed a project to re-organize the SCRC shed at the field, perhaps including installation of a shelf. Members in attendance approved this project.

The meeting was adjourned at 7:34.

Respectfully Submitted,

Chris Ivory, Secretary
