

WELCOME

The State College Radio Control Club flying site is located at the Centre Airpark Airport just South of Centre Hall PA.

If you are new to the area and looking for a club to join we welcome you. If you are new to the hobby and want to be a pilot there is no better way to

Learn - Build - & Fly !

We are a chartered club of the
Academy of Model Aeronautics

Membership in the academy is required for all flying activities and is easily obtained. Also,

KIDS Join the AMA FOR FREE !

<http://www.modelaircraft.org>

Enclosed is a brief look at the planes and helicopters that we build and fly.

Please ask our members about the club and

ENJOY !!
