## INDOOR FIELD AND SAFETY OPERATIONS

---

Effective April 1, 2014

1. Compliance to these field and safety rules is the responsibility of each participant. SCRC members are responsible for guests!
2. All pilots are required to be a member of the AMA.
3. Abide by any and all established AMA National Model Aircraft Safety Code.
4. Members or guests will not consume alcoholic beverages prior to or during.
5. 2.4 GHz is the standard for indoor flight. SCRC takes no responsibility for radio interference or duplicated channels if other Frequencies are used.
6. Lipo <Lithium Polymer> batteries must be charged on a surface that is not flammable or near combustible materials. Fire safe container or Lipo bag is strongly suggested.
7. Pilots should enter flying area to retrieve a model after announcing "On the Floor!"
8. Models must be electric or of any similar quiet means of propulsion. Aircraft shall have a maximum wing length of 26 inches with an 8 ounce weight limit. Larger / Heavier aircraft may be flown at the site with approval of an SCRC officer.
9. Members and guests shall conduct themselves in a civil and sportsmanlike manner. Mid air accidents happen with indoor flying. If there is an accident, get to the model quickly to prevent FIRE. Please accept the fact your plane or heli may go home in a bag. If this is not acceptable... Do Not Fly!
10. First aid kits should be located in the spectator area.
11. Sand containers for Li-PO battery fire retardant are located at both ends of the gym in case of a fire.
12. Guest's privileges are extended through member sponsorship. The SCRC member is responsible for their guest's conduct and safety.
13. Make certain the area is clear of people and planes prior to launching your aircraft. Be aware of other activities in the vicinity of your flight path that could cause potential conflict.
14. Spectators must stay in the area near the entrance doors. At no time should spectators venture into an active flying area.
15. Children not flying should not be permitted beyond the spectator area unless under the direct supervision of an adult or under flight instruction.
16. HAVE FUN
